

WE ARE GOING LIVE ON SCHOOL
DAY APRIL 24, 2018!!!!

To date we have 62% of our families
signed up!

Thank you to those parents that have registered themselves and their children (please note each student must be registered individually. If you have misplaced your son/daughters "secure-match key" please contact the office to receive another copy.)

If you have any problems or questions registering please contact Mrs. Ciarafoni at 905-775-8460

Effective today: Please login on school-day to see a new trip/activity for your child's class and provide consent electronically and pay for the trip/activity directly on-line.

School-Day is Accepting Credit Card Payment

Our school is now able to use School-Day to accept credit card payments. However, there has been a delay with the Interac payment option. We will let you know when Interac is activated and we are able to accept Interac payment.

Thanks for your patience.

Please note:

- * a paper copy will not be sent home
- * School-Day does not work well on a cell phone, best to use a computer/laptop or tablet/iPad.
- * Trying to pay by debit card: cards that say Debit/VISA or Debit/Mastercard must be inputted in the Credit Card section
- * Not receiving school-day notifications? Please make sure "Email Notifications" says "Enable" in your profile (gear image at the bottom left of the screen). Click "Update" if you made any changes.
- * Can't remember your password? For 24/7 bilingual support for using School-Day, please call 1.855.253.1731.
